Raised by a family of wolves since birth, Mowgli (Neel Sethi) must leave the only home he's ever known when the fearsome tiger Shere Khan (Idris Elba) unleashes his mighty roar. Guided by a no-nonsense panther (Ben Kingsley) and a free-spirited bear (Bill Murray), the young boy meets an array of jungle animals, including a slithery python and a smooth-talking ape. Along the way, Mowgli learns valuable life lessons as his epic journey of self-discovery leads to fun and adventure.

Not to be Missed!

C-Fylm Members

Please Note!

Everyone has to rejoin C-Fylm by January 2018.

This is a change instigated by C-Fylm to make the growing administration of the Cornwall-wide club more straightforward. Membership will be £6 per year and will in future run from January to January.

For members who have already joined this year, their subscription will run until the start of January 2019. If you join later in 2018, your subscription will only run until January 2019 and will still cost £6.

If you would like to come along to a Townshend film or go to any other C-Fylm club (your subscription covers you) then do think about joining. It's a great way to see outstanding films for only £3 per film.
